SURVEY REGARDING A POSSIBLE OUTDOOR ACTIVITY VENUE FOR EAST HARBOR

NOTE: If you are NOT interested in this project, or you feel that we should not do this at this time, please indicate that below and return this survey. We need to know if a majority of our residents are not supportive of this project before we go any further. If you filled out a survey at the Residents' Association meeting, this survey has a few more possible features to consider. If you would like to check off any of the new items, please do so and return this survey also.

A number of residents have indicated an interest in having a venue, or pavilion, for outdoor activities. Such a facility could provide a welcoming atmosphere for such activities as picnics, potlucks, concerts, dances, parties, etc. A small committee of residents has been formed, and we have been in touch with Paul Miller, President of the PVM Foundation (any funds raised for the project would go through the Foundation), and an architectural firm which has done some other work for PVM. **We would like to get some input regarding this project from more residents.**

Notice that heating and air conditioning are not included because venues with those features can be found indoors! This would be a resident-funded project as was the chapel. The project has no bearing on the cost of rent or on the Village budget.

We hope you will take a few moments to fill out this form, including any additional comments, and return it to the reception desk in the main building. Thank you.

FIRST OF ALL, are you interested in the construction of such a venue in our community?

 YES. Then please indicate your views below. **NO.** If you wish, please comment below.

I believe these are the **3 most important features** to have in the pavilion, and the **3 most important adjacent activities** to have nearby.

- | | |
|--|-------------------------------------|
| <u> </u> Restroom | Adjacent activities, such as - |
| <u> </u> Serving kitchen | <u> </u> Shuffleboard court |
| <u> </u> Lighting | <u> </u> Putting green |
| <u> </u> Ceiling fans | <u> </u> Fire pit with seating |
| <u> </u> Sliding or roll-up glass doors | <u> </u> Bocce ball court |
| <u> </u> Movie screen | <u> </u> Horseshoes |
| | <u> </u> Cornhole |
