Fate (or something)

Submitted by Nancy Streit

Years ago, I was picking up a lady who lived at the Village on our way to the funeral of a mutual friend in Pleasant Ridge where I had lived at one time. Little did I know I would become a resident of this fine place some 40 years later!

Fast forward to 2020 when my wonderful husband, John Streit, had a stroke which affected his speech and physical movements somewhat. I decided the Village would be a good place for us to be. Sadly, John passed away about one month after we moved here. Whatever the combined forces were that brought us to the Village, I will be forever grateful!!! While I still am able to spend much of the summer on Harsens Island, life at the Village is an ideal place to live! First and foremost, are the wonderful new friends I have made here. These friends are from mostly small communities within Macomb and St. Clair counties and we seem to have much in common and enjoy the many activities that are offered here at the Village.

Fortunately so far my health is still pretty good and so I am able to participate in the following groups: Book group, memoir writing, bridge group and choral group when I remember! Plus we go on local "field trips", theater productions, sporting events, etc. I never dreamed in my advanced age I would go all the way to downtown Detroit to attend a Tiger baseball game! Wow!!!! This paper sounds somewhat like a sales pitch for the Village of East Harbor and that is just fine with me!!!
