Wellness News

Christina Nahorodny, Wellness Supervisor

I am so excited to announce that we have a new bus driver, Bob, as well as a new Fitness Specialist, Kristine! They both fit in so well and work as though they have been here forever even though, as of this article, they have only been here at the Village for less than three weeks! So far, I have heard nothing but positive things from and about both Bob and Kristine. I have so much excitement and confidence that you will all like them both! Bob has been working hard to catch everyone up on their appointments and Kristine has been working equally hard with fitness classes for residents at all levels of their fitness journey! Kristine will also be catching up on orientations for those who have been waiting to use either of our Fitness Centers. If you haven't met them already (or even if you have), ***please come to the Harbor Inn community room for a brief Meet & Greet at 11:30am on Friday, August 1st.***

Hello Everyone! My name is BOB Rosol and I am the new driver here at The Village of East Harbor. Or as so many have refer to me as "the new Anne Marie"! I am ok with that, as I know she is a legend around here and I have some big shoes to fill. I am SOOOO EXCITED to be here!! I get to combine two of my favorite things and passions in my new role Driving AND Interacting and assisting people, but not just any people, but you the very important people (VIP's) senior residents here at the village!

I have met and been so warmly welcomed by so many of you already and it has brought me so much joy! If I haven't met you already and you see a large 6 ft 4 inch guy passing in the hall, at an activity or event, please feel free to call out "BOB" and introduce yourself. I want to meet each and ever resident personally and am working really hard on putting names and faces together.

A little about me:- I have 3 grown children (2 daughters & 1 son) and they have given me 6 beautiful grandchildren (3 girls & 3 boys) already! If you are around me, you will likely hear me bragging, especially about my two granddaughters who live just 5 minutes down the road at Sugarbush & Cotton. They are so close, that when I told the 10 year old I was working with seniors just down the street, she said "Oh, that sounds like fun! Can I come to work with you!?" That girl is so precious and uncharacteristically caring for someone her age! I am one proud "Puppa"!

- Prior to coming to the Village, for work I drove really big buses, also known as Motorcoaches, both locally and cross country and have driven probably a half million miles or more.

- I have also held roles in my lifetime as a Technical Writer for Automotive Information and as a Business Service Analyst for big name accounts such as GM, American Express and Bristol Myers Squibb.

Meet Kristine – Our New Fitness Specialist!

Hi everyone! I'm so excited and grateful to be stepping into the role of Fitness Specialist here at the village. I deeply believe in what movement does for both the mind and body—it's not just helpful, it's necessary. My goal is to help others feel that truth for themselves, in a way that's fun, safe, and encouraging.

I always show up with a smile and a patient spirit, ready to meet everyone where they're at—especially those who need a little more time or support.

Outside of work, I love spending time in nature, crafting, dancing, and of course, working out. I live by the reminder: You'll never regret showing up for yourself.

I'm looking forward to bringing my unique energy and lightheartedness to this amazing community. Can't wait to meet you all!

REMINDER: The Shell Gas station located at 33925 23 Mile Road (across the street from CVS and next door to the Chesterfield Fire Station) is offering to pump gas for our residents on Tuesdays between the hours of 11:30am -1:30pm. Just call 586-648-7072 and let them know what pump you are at and an attendant will come out and pump your gas for you!

FYI the owner has made a point to be there to facilitate this program for our residents. If we are not taking advantage of this opportunity it is likely he will eventually discontinue this service as he has other stations in the Metro area to tend to. It has been suggested to keep a reminder note in your car to try to pump gas at this time so that we can continue to utilize this service. We will definitely want it once the snow starts flying! If you need yet more incentive, you can use your Kroger points at participating Shell stations!
